

TRAINING PROGRAM

DELIVERING PROJECT RESULTS WORKSHOP

This results-oriented workshop enables project managers to integrate change management into active projects, a practice that is key in delivering enhanced results. Project leaders will leave with an understanding of the importance of change management in meeting project objectives and with a common language for change.

Who is this program for?

- Project managers
- Intact project teams
- Project team members

Learning Objectives

During the Delivering Project Results Workshop, participants will:

- Create a common framework for engaging with change management practitioners
- Learn to identify when their project needs change management
- Map change management work to their project using the Prosci Change Management Blueprint
- Understand how change management supports the adoption and usage of change initiatives
- Understand the connection between employee adoption and project results and outcomes
- Identify impacted employee groups

Materials Included:

Participants will receive:

- Program workbook
- Change Management Blueprint
- Change Management Best Practices Research Exposé
- Recorded Webinar: How to Integrate Change Management and Project Management
- Change Management: The People Side of Change
- ADKAR®: A Model for Change

About The People Side of Change

The People Side of Change is a company that helps organizations build internal competency to lead change, from top-level executives to front-line employees with training and consultancy in Prosci's methodology and tools. Based on their research, the Prosci methodology provides a structured process and easy-to-use tools to prepare yourself for effective change implementation.

We are a **Primary Affiliate for Prosci®** and offer a number of training programs in change management. As a Primary Affiliate our trainers are trained and certified by the Prosci organization. We provide skilled instructors and poised facilitators of Prosci's change management programs. With our training programs, we ground you in Prosci's philosophy and principles to build your change management capability and competency.

About Prosci and the Prosci Methodology

Founded in 1994, Prosci is the global leader in change management and the provider of choice for 80% of Fortune 100 companies. Prosci combines scientific research with the people side of change to deliver results-focused solutions that enable clients to achieve change outcomes and grow organizational change capability. Prosci maintains the world's largest body of change management research—the basis for the company's tools, methodologies, services, and role-based development programs. To date, Prosci has certified over 65,000 change management practitioners worldwide. The company is headquartered in Fort Collins, Colorado, with offices in Halifax, Canada, and Sydney, Australia, and more than 25 certified Prosci Partners around the globe. Prosci is always expanding directly and through its partner network to ensure change success for clients no matter where they are located.

The **Prosci® ADKAR® Model** is one of the most widely used change management models in the world. It focuses on the transition of individuals as they are affected by change within an organization. Because organizations don't change, people do!

The **Prosci® 3-Phase Process** brings a suite of turn-key tools and resources to your change objectives that easily scale and adapt to the unique characteristics of your change and of your organization.
